Mennonite Mission Network Requests

Pray for hope, strength and resources for members of the Mennonite Church in Japan, and for Mission Network personnel as they live out Jesus' way of peace and love in responding to those who continue to suffer from March's triple tragedy of earthquake, tsunami and nuclear radiation.

Help MCC respond to the drought in East Africa
Mennonite Central Committee (MCC) is appealing for \$1 million in contributions to support its response to the food crisis and drought in East Africa that has left about 11 million people in need of humanitarian assistance. An immediate and extended response is essential for limiting the vulnerability of millions looking for enough food to survive, said Bruce Campbell-Janz, director of MCC's Africa Department. Please consider a gift to help fund initial efforts in Ethiopia and Kenya to provide supplemental food for at-risk groups, and to support food-for-work projects. To donate, visit donate.mcc.org or give by check to the MCC Great Lakes Office (1013 Division Street, Goshen, IN 46528). Please pray for the people of East Africa at this time of crisis.
