MCC NEWS

East Africa Drought: MCC (Mennonite Central Committee) has surpassed its initial goal of raising \$1 million for the East Africa drought and is expanding its response to the continuing crisis in Kenya, Ethiopia and Somalia, which has affected some 12 million people in the region. "It is clearly the most severe food security emergency in the world today," said MCC Africa Department director Bruce Campbell-Janz. "We are both elated and humbled by people's willingness to entrust MCC with their contributions." MCC thanks you for your giving and asks that you consider further support, including keeping the people of East Africa in your prayers. Learn more about the drought response at mcc.org/estafricadrought.

Mennonite Mission Network Prayer Request

Last month, children in Japan from areas contaminated by radioactivity were invited to Menno Village, a partner of Mennonite Mission Network, for several weeks to play outside and to enjoy clean food and water. Pray that what these children learned about Jesus' love will continue to give hope to them and their families.
