

Mark 4:35-41

**A SURPRISE ENDING...
BUT HOW DID WE GET HERE?**

- This story has a **SURPRISE ENDING**.
- The storm is **OVER**, and the disciples are **TERRIFIED**.

I. This storm happened after a peaceful WEATHER day.

II. This storm happened after a very long intense day... and Jesus was **EXHAUSTED**.

III. This storm happened after THE SUN
WENT DOWN.

IV. This storm was described as a
FURIOUS SQUALL.

V. And Jesus was SOUND ASLEEP.

Panic has a way of changing our tone.

VI. Jesus got up, rebuked the WIND
AND WAVES.

VII. Surprise: they went from scared to
TERRIFIED .

To trust in Jesus is to trust in the
unlimited, almighty
POWER OF GOD .

Don't miss the power of God in
JESUS CHRIST.

To know that POWER,
I am likely to find myself in STORMS
that are beyond my ability to MANAGE .

Do not have a faith in Jesus
based on THEORY...

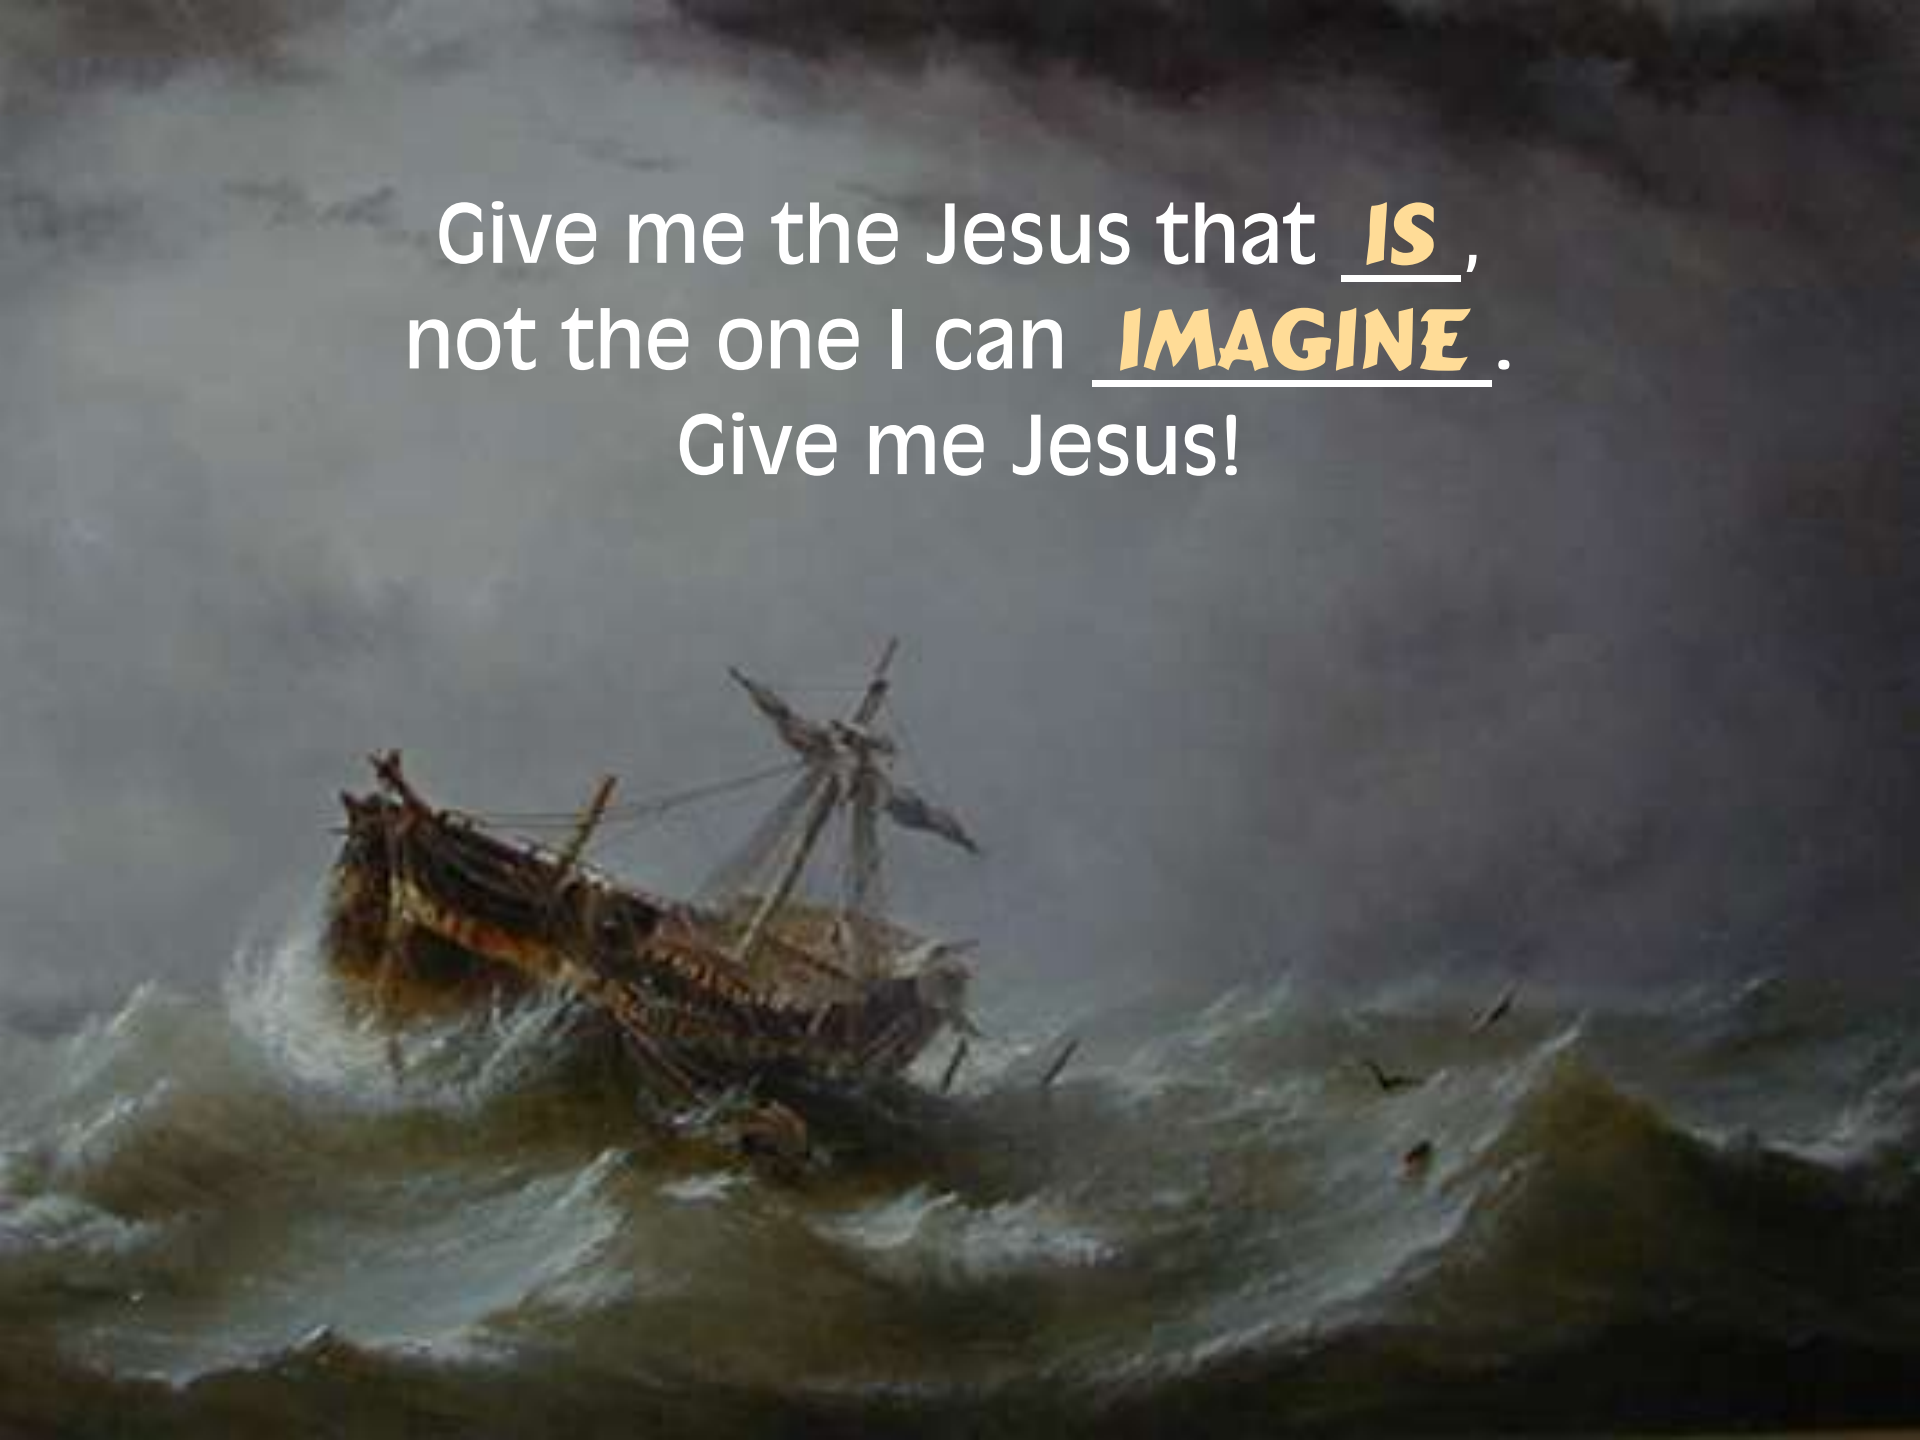

See first-hand the **POWER** of God,
even if it **TERRIFIES** you.

Give me the Jesus that IS,
not the one I can IMAGINE.
Give me Jesus!

Give me the Jesus that IS,
not the one I can IMAGINE.
Give me Jesus!
